BEN HURTIG TRADES OFF 200 ACRES AT SCARSDALE.

Takes in Exchange the Montebello Apartment House in Riverside Drive-The Old Tilden Club in Broadway Also Figured in a Trade for Vacant Land.

Little business was done in any branch of the market yesterday. The principal deals at private contract were a couple of trades by which improved holdings were exchanged for vacant land. Benjamin Hurtig of Hurtig & Seamon parted with 200 acres at Scarsdale in return for the Montebello apartment house in Riverside Drive, and Robert E. Dowling took twenty-two lots in the Dyckman tract in part payment for the old Tilden Club in Broadway between Seventy-fourth and Seventy-fifth streets. A valuable Amsterdam avenue corner passed into the hands of a firm of builders passed into the hands of a firm of builders for improvement with apartment houses. Plans were filed for a seaonable volume of construction work, including a nine story loft building on the lower West Side. The few auction offerings put up to liquidate mortgages were struck down to parties in interest.

Private Sales.

211TH STREET.—Robert A. White of White & Pierce has sold for Mary E. Dalton, Mary Norton and John J. BIVERSIDE DRIVE.—Ben Hurtig of Hurtig & Seamon has bought from Anna McAlpin the Montebello, a six story apartment house, on plot 108x95, on the east side of Riverside Drive, 116 feet south of 127th street, opposite the Claremont Hotel. road. The purchaser contemplates improvement.

GRAMERCY PARK.—L. Rodney Berg has sold the plot known as Nos. 35, 36, 37 and 38 Gramercy Park, having a frontage of about \$4 feet and being about \$3 feet deep, for thatles Buek, a capitalist, who will erect a high class, fireproof apartment house on the property. Each apartment will have nine rooms and three bathrooms, and it is said that half of the apartments are to be sold on the cooperative home plan. This property was recently bought by Mr. Buek under foreclosure proceedings, which wiped out a large equity held by second and third mortgages. The building of a fine apartment house on this site will remove the objectionable open plot that has for a long time been an eyesore to the exclusive residents and owners of property on this private park. The cost of the apartment house is estimated at about \$300,000, and it is said plans are now being prepared.

MECHANICS AND TRADERS BANK To Be Opened as the Union Bank-Manhattan Branches to Be Discontinued.

The Mechanics and Traders Bank of Brooklyn, which has been in the hands of receivers for the last six months, will be reopened for business next week. It will take the name of the Union Bank, which was merged with it about a year ago, and will have a capital of \$1,000,000 and a surplus of nearly the same amount. Former Comptroller Edward M. Grout, a director of the old institution, will be president and Edwin J. Stalker, for many years cashier of the Chase National Bank, will be vice-president.

Before the close of the week the receivership will be discontinued with the approval of the Attorney-General and the State banking authorities.

Hereafter the Union Bank will be strictly a Brooklyn institution, it having been decided to abandon the three old branches maintained in Manhattan. Of the ten Brooklyn branches the Fulton and Hancock will also be given up.

In the report of Banking Supt. Williams it is told that the plan is to reduce the capital stock from \$2,000,000 to \$1,000,000 and to set aside \$918.000 as surplus. The new capital stock and surplus represent the value of the old capital stock. The new bank will open under a deferred payment agreement with depositors representing 83 per cent. of the total deposits. Deposits of \$7,971,154.84 will be paid off Deposits of \$7,971,154.84 will be paid off gradually, the last payment of 30 per cent, not falling due for sixteen months after resumption. Ten per cent. may be withdrawn immediately on the resumption of business. Deposits amounting to \$1,318,-215.45, which have not been pledged to the deferment plan, can be withdrawn immediately.

"On the reduction of capital," Mr. Williams saws in his report, "the solveneys of

iams says in his report, "the solvency of the institution would seem to be beyond question. Under efficient, conservative and question. Under efficient, conservative and trustworthy management and with the cooperation of the people of Brooklyn (clients of the institution) I see no reason why the bank should not enjoy a successful future in that borough."

It has been reported to Supt. Williams that the bank has obtained a credit of \$1,000,000 on the hypothecation of certain assets for a year at 6 per cent. without commission. This would make the cash available approximately \$4,000,000.

MONETARY COMMISSIONERS OFF. Senators Hale and Daniel Size Up Vote

Differently. Senator Eugene Hale of Maine and Senator John W. Daniel of Virginia, members of the sub-committee of the National Monor the sub-committee of the National Monetary Commission, who are going to Europe to look into the way other countries conduct the banking business and financial affairs generally, talked on other subjects than money just before they sailed yesterday aboard the North German Lloyd steamship Kronprinzessin Ceoilie. Senator Hale said that if there was any doubt about the election of Mr. Taft the movement of the Independence League would make it a certainty. Senator Daniel thought the Independence League candidates would draw just as heavily from the Republican party as from the Democratic. He said that the Democratic party was in better shape than in years and that Mr. Bryan was stronger with the people than ever.

Senator Aldrich, chairman of the subcommittee, said it would obtain more complete and accurate information than is now available about the monetary and banking systems of the world and would examine the methods in use abroad for the collection and distribution of public revenues. The work, Mr. Aldrich said, was merely preliminary to the report which the commission is required to make to Congress of a complete monetary and banking system for all the country. etary Commission, who are going to Europe Congress of a complete monetary and bank-ing system for all the country.

The other members of the party are Rep-reaentatives Vreeland, Overstreet, Burton and Paddock.
